# Deep Tissue Relief

The brand new, long SL-Track conforms to your spine and massages from your neck to your glutes.

## The Essence of Personal Health

Do something good for yourself, relax your body and mind, speed up recovery from post exercise soreness, work on healing a nagging ache, or get rid of that knot in your back. With a Cozzia smart technology chair you'll have fast and accurate relief, so you can get back to being you.

## Detail & Design

Cozzia is designed for the refined buyer who demands only the very best, with years of research, testing, and uncompromising attention to detail and design. Cozzia massage chairs feature many proprietary and unique functions that deliver unmatched levels of therapy and relaxation that makes other products simply incomplete.

## 8 Automatic

Easy to use automatic massage modes allow you to enjoy a massage instantly at the press of a button. With the timer you can make the massage last as long as 30 minutes.

## Custom Programs

Create your own custom program, choose the parts of your body that needs the most attention and the chair will create a brand new massage program just for you.

## SL-Track System

The brand new, long SL-track conforms to your spine and glides from your neck down to your glutes, providing top to bottom back coverage.

## Body Scan Technology

Using the data that the body scan gains along with the Smart Curve technology, the massage rollers are precisely placed for a perfect massage every time.

## Air Compression Massage

42 multi-layered airbags. These are expertly placed throughout the massage chair to perform a full body massage. Advanced compression system helps to reduce inflammation, helps you relax, speeds up muscle recovery

## Rhythmic Seat Massage

Therapeutic vibrations to improve muscle performance and calm your nervous system. Placed at the base of the seat so you can feel fine vibrations through your core.

## Zero Gravity Position

Recline back and you'll experience reduced pressure from head to toe, in this relaxed position your body is more receptive to massage. This is the best position to improve circulation and reduce swelling in your legs.
